

All About Mrs. Parrish

I was born in Ohio and at thirteen, moved to Jamestown, NC. (Go Ragsdale!) Then I graduated from UNC and completed my Masters at ASU. My husband and children all graduated from Oak Ridge Elementary, NW Middle and NW High School! Now my husband teaches Social Studies at NW. I have been teaching over 26 years, mostly at Oak Ridge Elementary. Ray and I are proud to call Oak Ridge home.

I LOVE teaching first grade...especially reading! When I'm not with my class family, I enjoy time with my own family and friends. We play board games, attend church, travel, and go out to eat! I also enjoy watching birds, arts and crafts, movies, reading and eating macaroni and cheese!
