

## Class Dojo

Our school will be using ClassDojo. Students will be rewarded for positive behavior. If there is a behavior concern, I will contact you directly.

In addition to emailed weekly newsletters, class communications will also be sent out using Class Dojo.

## COMMUNICATION

Your child will have a homework folder that needs to go to and from school every day. This will allow for any correspondence between us, and allow for any notes or reminders from me, or the school.

Please check this folder on a daily basis. Your child will also receive a Brown Weekly Folder that will go home Mondays. This will include the majority of your child's work, class information, and information from the school. Please return this folder, empty, the following day.

The most effective way to reach me is by email or a note in your child's homework folder. I may also be reached through Class Dojo.

## Homework

You can expect some homework each night, Monday through Thursday. Every student is expected to read for a minimum of 30 minutes each night.

# MEET THE TEACHER!

**Hi!** Third grade “All-Stars”! My name is Ms. Fuller and I am pleased to be your “Third Grade Coach” for the 2023-2024 school year! This will be my ninth-year teaching at Oak Ridge Elementary and I am pleased to have you in my class. I’m very excited to get to know you all and I can’t wait to share my love for learning through a fantastic school year.

## A little about myself...

I am from Yanceyville, NC. Growing up, I explored several career paths such as dentistry and modeling before selecting the one that was just right for me; teaching! I graduated from North Carolina Agricultural and Technical State University (AGGIE PRIDE!) in May of 2015 as a NC Teaching Fellow with a bachelor’s degree in Elementary Education, (concentrated in Science, Technology, Engineering, and Math) and a certificate of Waste Management. Before teaching, I interned as a Servant Leader Intern for the Children’s Defense Fund’s Freedom Schools during summer breaks and provided students with reading enrichment to build strong, literate scholars. When I’m not teaching or planning awesome things for us to do at school, I enjoy reading, shopping, movies, games, vacations, and spending time with family.

## The Fridge

Our weekly helpers (one boy and girl) are invited to bring in a photo to share and post on our classroom’s “fridge.”

## Community Calendar

There is a calendar in our classroom for students to mark important dates pertaining to them individually that they would like to share (recitals, sporting events, vacations, etc.).
