INSIDE THE CLASSROOM

Northern Elementary is a great place to learn and grow! Our experienced dedicated teachers and support staff utilize best practices and resources in order to assess each child's needs and ensure they reach their full potential. Our focus on high academic achievement shows in our test scores. Our overall EOG composite for 2015-16 was 85% and we exceeded our growth target, earning an A+ School Performance grade. We have also met all Annual Measurable Objective targets for each subgroup. Our Exceptional Children's teachers and our Academically Gifted teachers support many students who qualify for their services. Our academic rigor, balanced with developmental needs of children, begins in kindergarten and is consistent through fifth grade.

BEYOND THE CLASSROOM

At Northern Elementary we know there is more to developing great students than test scores. That is why we offer so many other ways for our children to grow:

Hawks Hobbies clubs for all students
Spelling Bee
Cultural Arts assemblies
Rubik's Cube team
Service Learning
Running Club
Weather Station
Ukulele Club

Battle of the Books
Author Visits
Science enrichment
Recycling program
Musical performances
Nighthawk Dad events
Family events
Fall Festival

We have a strong arts program where students learn to play recorder, participate in world drumming, and participate in local and state art and music shows and competitions
