

MEET *the* TEACHER

Welcome!

Hi, I'm Ms. Mclaurin, your 5th grade Math and Science teacher. I am so excited for this new school year. I've worked for Guilford County Schools for the past 16 years and this is my ninth year at Murphey. I am a mother of five, so I am very aware of how challenging it is to balance work, home, and a child's education. I'll do my best to make this a little bit easier by providing your child a positive and safe learning experience. My goal is to increase your child's ability to think critically, work cooperatively, and communicate effectively, all while having fun.

Education

I received my bachelor's degree in Speech and Hearing Sciences from The Ohio State University in Columbus, OH.

I received my teaching certification from North Carolina A&T State University in Greensboro, NC.

I am currently pursuing my master's degree in Science Education at UNCG.

My Favorites

Serendipity

(n) finding something good without looking for it

I love:

color blue
drawing
eating Asian food
soup, soup, soup
traveling
watching movies
Kit Kats
iced coffee
Barnes and Noble
Target
