

# WHAT IS HAPPENING IN HIGH SCHOOL ELA

Students in grades 9–12 increase their capacity for critical thinking, speaking, listening, reading and writing using the thematic units and performance tasks provided through the Savvas, *myPerspectives* instructional resources. Digital and physical texts as well as supplementary materials enhance student access to literacy rigor through all grade levels.

## SAVVAS REALIZE DIGITAL MATERIALS

Realize brings together all Savvas digital curriculum, including standards-aligned content, resources, and assessments. Realize helps teachers to use best practices for blended learning to increase student engagement and success.

## NEWSELA

The NewsELA selections sync with thematic units from *myPerspectives* to engage students with topics they care about, while building the background knowledge and vocabulary they need to become active, engaged readers.

## TRADE BOOKS AND NOVELS

Selections from *myPerspectives* are supplemented with trade books and novels procured to match thematic content and learning objectives. The approved supplemental text list [can be located HERE](#).
