

Melinda Mayhew

Welcome to another wonderful year at Sedalia Elementary! I'm Mrs. Melinda Mayhew. I am honored to have the opportunity to work with the students, staff and parents at Sedalia Elementary School.

I am a native of Hickory, NC, and a graduate of Hickory High School. I'm also a proud graduate of Winston-Salem State University and Appalachian State University. This is my twenty-seventh year in education!

As the principal of Sedalia Elementary, I will strive to work hard to provide a safe and positive learning environment! The staff at Sedalia continues to support and create a community of academic excellence.

I am honored to be the principal of Sedalia and I am looking forward to a valuable partnership with our staff, parents and students to make sure our children can bring about their greatest potential.
