

Guilford County Schools School Psychological Services

Lauren A. Moses, M.S., Ed.S.

Nationally Certified School Psychologist

About me: I attended undergraduate and graduate school at Radford University. This will be my eighth year in GCS and my thirteenth as a school psychologist. Within the district I serve on the following teams:

- ◆ District PBIS Training Team
- ◆ School-Based IST & PBIS Teams
- ◆ Psych Services MTSS Team

My special interests include conducting professional development and working with families to foster behavioral success. I also served the previous three years as the District IST Coordinator.

WAYS I CAN HELP:

- ◆ Problem-Solving
- ◆ Consultation
- ◆ Assessment
- ◆ Observations
- ◆ Interventions
- ◆ Brief Counseling
- ◆ Sharing Resources
- ◆ Professional Development

I would like to take this opportunity to introduce myself as your temporary school psychologist for August to November of the 2019-2020 school year. Your assigned psychologist, Dorina Mohite, will return in December after her maternity leave.

KEEPING IN TOUCH

Because my time is split between several schools and other commitments through Psychological Services and district efforts, there will be days that I have to alter my schedule due to trainings, meetings, crises, etc. Please do not hesitate to email me if you need to reach me and I am not in your building!

My email address is:
