

Northern Guilford High School “Senior” Personalized Parking Spaces

DROP OFF APPLICATION TO SCHOOL OFFICE—DUE BY JUNE 7th, 2022

(No late applications will be accepted!)

Cost \$50 (plus \$51.95 GCS Parking Permit to be purchased in August)

- This is available to rising Seniors only
- \$50 will reserve a parking space for you to personalize (the \$50 does not include the cost of your parking permit (\$51.95), or the cost of the supplies used to personalize space. **Checks should be made out to NGHS PTSA for \$50. Please tape check to the design form and drop off in the school office by 6/7. Attention: PTSA Senior Spots** (*Checks will be deposited after July 1st, 2022).
- Rising seniors who purchase a “personalized” spot will receive the first drawn parking spots in the student-parking lottery. Spots will be assigned in August. You have the choice of a spot close to the school or a spot near the student exit/softball field area (note: this is the furthest from the school entrance)
- *A copy of the design (clearly drawn) for your spot must be attached to the contract and must be approved by school administration prior to painting. We will keep this copy, so make a copy for yourself. No design changes can be made after your design is submitted.*
- **In August prior to painting** students must submit a NGHS parking application, copy of valid North Carolina Driver’s License, copy of valid car registration, and receipt for the \$51.95 GCS Parking Permit and service fees. Please bring your own copies. **WE WILL NOT BE ABLE TO MAKE COPIES.**
- All designs must be on the Senior Parking Design Request and are subject to approval by the administration. Please include the colors you will be using on your parking spot. Once your design has been reviewed, you will receive an email letting you know that it is either approved or if it must be resubmitted. Consider that complicated designs take a good bit of time and paint, which can be costly.
- You must paint on specified school approved days and times to be determined (will be in August)
- Before graduation, the student must paint the spot back to black during school approved times or a fee of \$100 will be charged. More info on this will be communicated well in advance of the deadline date.

Mandatory Paint Option

- Water based exterior latex only (Sherwin Williams, Lowes, Home Depot) *more details will be emailed
- Four inches (4”) of pavement must remain on the inside of the white parking space lines—Blue Painters Tape must be used to ensure even borders. *White lines & space numbers are not to be painted over.*

Important to Note

- If you paint something that isn’t approved including the parking space numbers or the white border lines or do not use painter’s tape to adhere to specific dimensions, you will be charged an additional \$50.00 fee.

Not Allowed

- Oil based paints, reflective paints, spray paints, fluorescent paints, glitter or textured paints.
- No paint sprayers or clear coats.

Painting Must Be School Appropriate

- Offensive language, pictures, symbols, negative or rude language, and anything associated with drugs, alcohol, and violence will be prohibited. Anyone in violation of the above items may face disciplinary action and may forfeit their right to park on campus.
