

# BE CARING

Treat all materials  
with respect and  
care. (Tools not  
toys.)

BE

COOPERATIVE

Use hand-raising  
procedures to be  
recognized and  
get along with  
others.

BE

RESPECTFUL

Follow all  
procedures for the  
area you are in.

Listen when  
others are talking.

BE

TRUSTWORTHY

Wait to use  
materials until  
instructed to do so.

Make smart  
choices even if no  
one is watching.

# SHOW EFFORT

Stay on task  
during work time.

Do your best at  
all times.
