

Grade Point Average (GPA)

- Any middle school classes that count for high school credit are not used in your GPA calculation. They do count towards graduation requirements.
- Each final grade carries quality points which is used in calculating your GPA. Your Weighted GPA uses the Honors/AP scale and Unweighted GPA uses the regular scale.

Regular	Honors	AP
A = 4	A = 4.5	A = 5
B = 3	B = 3.5	B = 4
C = 2	C = 2.5	C = 3
D = 1	D = 1.5	D = 2
F = 0	F = 0	F = 0

- To calculate your GPA:
 - Add up the quality points for each class you've completed
 - Divide by the total number of classes you've completed

Example:

43045X0	American History I Honors / AMERICAN HISTORY I HONORS	83	3.500
35012X0	Earth/Environmental Science / EARTH/ENVIRONMENTAL SCIENCE	86	3.000
10215X0	English I Honors / ENGLISH I HONORS	84	3.500
21095X0	NC Math 1 Honors / NC MATH 1 HONORS	73	2.500
60492X0	Health and PE Grades 9-12 / PHYSICAL EDUCATION/HEALTH I	99	4.000
53152X0	Theatre Arts (Beginning) / THEATRE ARTS (BEGINNING)	100	4.000

Weighted GPA

- Add up the quality points:
 $3.5+3+3.5+2.5+4+4=20.5$
- Divide by the total number of classes:
 $20.5/6 = 3.4167$

Unweighted GPA

- Add up the regular quality points:
 $3+3+3+2+4+4=19$
- Divide by the total number of classes:
 $19/6 = 3.1667$
