CREDIT AND GRADUATION INFORMATION

Northern Guilford follows a traditional, six-period schedule. Periods are 55 minutes in length and all classes meet daily for an entire year. Multiple credits are awarded for classes meeting for more than one period daily. Credit is granted at the end of the course and is based on the final course grade. To receive a College/University Preparatory Diploma, 2020 graduates must complete 22 Carnegie units; this includes 4 units of English, 4 of social studies, 3 of science (all science courses have a lab component), 4 of math, 2 of a world language, and 1 of physical education/health. *Our social studies sequence has seniors completing Civics and Economics at the standard or honors level.*

GPA AND RANK IN CLASS

On the transcript, Northern Guilford High School provides grade point average (weighted and un-weighted) and numerical class rank. Weighted GPA is determined using the following method: a 4-point scale for regular courses, a 4.5-point scale for Honors courses, and a 5-point scale for AP courses. In computing GPA, all students and all courses are included. Class rank is based on weighted GPA.
