Dear Parent/Guardian:

I hope the school year has started successfully for all of you. As a parent/guardian of a student in Oak View Elementary I am writing this letter to let you know that Oak View Elementary, has been designated as a Targeted Support & Improvement Additional Targeted Support (TSI-AT) school by the North Carolina State Board of Education. As stated in ESSA Section 1111(d)(2), North Carolina had to identify schools for targeted support and improvement. TSI-AT schools in North Carolina are those that have a subgroup that is under-performing. The intent of this opportunity is to improve educational outcomes for all students, close achievement gaps, increase equity, and improve the quality of instruction.

As a TSI-AT school, Oak View Elementary is required to develop a comprehensive plan that specifically addresses how the school will improve student achievement. The plan will also include how our district will support us and monitor the progress of our school. The comprehensive plan will address the following areas:

- Classroom Management
- Standards-aligned Instruction
- Professional Learning Communities (PLCs)
- Instructional Leadership
- Recruitment & Retention of Effective Teachers
- Support for Grade-to-Grade Transitions
- Implementation of a Tiered Instructional System
- Data-Driven Decision Making
- Student Support Services
- Family and Community Engagement

We have set the following goals for this year:

- By June 2022, Oak View Elementary will reduce the achievement gap by 5% in Reading, Math, and Science. We will focus on the areas with the largest gaps from 2021-2022 which are African Americans students, Economically Disadvantaged, and Students with Disabilities.
- By June 2022, Oak View Elementary will increase the school performance composite from 23.1% to 28.1%.
