# BECOME A TUTOR

*change a life today!*

## We're Looking for Talented High School Math Students!

Guilford County Schools would like to invite qualified high school students to tutor elementary through Math 1 students. This opportunity will include face-to-face instruction during after-school hours, as well as a flexible virtual option after school and on weekends. You will be instrumental in changing lives and stemming the learning loss brought on by a worldwide pandemic. We look forward to working with you!

## Build your College Resume!
