

4th Grade News

Week of
September 6-10

A Peek at the Week

Math: This week in math we will be using our understanding of place value units to add multi digit whole numbers using the standard algorithm. We will also have a topic C Quiz Tuesday and our Mid Mod Assessment Tuesday.

CKLA Skills: This week, we will continue our Unit 1 by writing a properly sequenced narrative food memory and learning about similes and metaphors.

Homework:

A packet will be sent home on Mondays and will be expected for return on Fridays. Students should be reading at least 30 minutes each night. We will look for packets on Friday. Thank you for helping your child with homework.

Monday = No school

Tuesday = Lesson 10 Math Homework/ Reading Log Response

Wednesday = Reading Log Response

Thursday = Test Corrections and Parent Signature on Math Test/Reading Log Response

Important Updates

Please remember school now begins at 7:00 AM and the tardy bell rings at 7:25 AM. Students who arrive at 7:25 or later will be marked tardy.

Laptops are being sent home each day and are expected to be charged each night. Students have been added to class Canvas pages. One cards are also being sent home and expected to be worn each day to school.

Important Dates

Sept 6- NO SCHOOL Labor Day

Parent Tips

- Write a 6-digit number on a piece of paper. Ask your child to round the number to the nearest hundred, nearest thousand, nearest ten thousand, and nearest hundred thousand.
- Have your child get their belongings together the night before and set it out in a visible location. **Don't forget to bring charged Chrome Books back to school :)**
- Have your child find at least 2 similes or metaphors while reading.
- Please check class dojo daily for updates and to see how your child's day went.
