A Peek at the Week

Math: This week we will begin Module 2. We will be learning about metric unit conversions and how to apply them in everyday life.

CKLA Skills: We will begin our new unit on the Middle Ages! We are excited to read exciting stories and to learn many new vocabulary words. We will learn about lords, serfs, knights and castles. We will begin to draft an information paragraph. **In this unit we will focus on a lot of word work.**

Homework:

A packet will be sent home on Mondays and will be expected for return on Fridays. Please sign logs.

Monday = Reading Log Response; 30 minutes on Zern

Tuesday = Reading Log Response; 30 minutes on Zern

Wednesday = Reading Log Response; 30 minutes on Zern

Thursday = Reading Log Response; Study for Vocabulary Quiz on Friday

Important Updates

Please remember that **students are expected to complete and return assignments for Reading and Math that are posted on Canvas when students are absent from school.**

Laptops must be charged nightly and brought to school each day!

At 10:30 each day we have a short working snack. Students may bring a **nut free**, packaged snack. No sweets, please!

Parent Tips

- Have your child get their belongings together the night before and set it out in a visible location. **Don't forget to bring charged Chrome Books back to school :)**
- Help your child study for vocabulary quizzes. Practice with sentences or flash cards.
- **Math tip:** Pose questions such as, "Would we measure the distance from here to the store with centimeters, meters, or kilometers?" or "Would we measure a person's mass in grams or kilograms?" Ask your child to justify her answers.
- Parents can check student progress and class grades in Powerschool.
