

All About Ms. Karen Meacham 🎵

I was born in Fairview Park, OH. Got my first teaching job in Boynton Beach, Florida in 1988. I relocated to the Greensboro area in 2002. My hobbies include attending concerts, live theatre, opera, and lots of music-related events. I am a passionate advocate for public schools. This year will be my 36th year of teaching, of which 16 of those years have been here at Stokesdale! I am excited to be teaching music here again this year! Fun fact – I am a church organist and was a flute major in college!
