

**Western Guilford High School
Seniors Only
Painted Parking Spaces**

Who?: Senior Students Only

Why?: To beautify the campus!
To build school spirit!
To create a senior tradition!
To raise money for the WGHS senior class account.

Cost: \$25 – **Does NOT include** the GCS parking permit which is sold online through the GCS K-12 payment center for \$50
Does NOT include supplies: paint, paint brushes, tape, etc... needed to paint your parking space.

The Process:

*Please note that the allotted parking spaces are sold on a first-come first-served basis.

1. Download a senior parking space design pack from the WGHS school website or pick one up from the school office.
2. Email painted parking space student contract and design idea page to Mrs. Nosal for approval, **ON OR BEFORE AUGUST 9, 2022**. Approval will only be given if the signed contract is provided. Submitted design ideas should be clearly drawn out and must be in the colors you plan to use (no changes on painting days are allowed). Make sure to keep a copy of your design for yourself to reference on painting days.
3. Purchase your GCS parking space through the K-12 payment center found on the GCS website <https://www.k12paymentcenter.com/>
4. Take your parking space email receipt to the front office to pick your parking space and get your WGHS hang tag. ***If friends want to park together, you should go select your spaces and get your hang tags at school together – this is the ONLY way to ensure you get spaces together.**

***Once your design has been reviewed, you will receive an email to let you know if it has been approved or if it was unacceptable and needs to be revised.**

Painting Requirements

- **Paint must be water based interior/exterior latex.**
- **DO NOT** cover the white lines, front curb/bumper block, or number of the parking space. **Students must** leave 4 inches between the white lines and their design. It is advisable to tape this border off prior to painting. It takes about 2 gallons of paint if you plan to do a base coat before painting your design.
- **NO** spray, fluorescent, reflective, glitter, oil based, or other types of paint allowed.
- NO offensive language, pictures, flags or symbols.
- No negative or rude language.
- No symbols related to gang-activity or gang-style tagging.
- No double meanings, nicknames, girlfriend/boyfriend names. Only your own name can be used in your design.
- NO use of names belonging to other students

Prohibited items will be painted over at the discretion of the Administration and you will forfeit your right to a parking space. Your money will not be refunded.

Painting days will be August 12th, 13th, 14th & 15th from 9am-3pm. We suggest that you start painting early, because it gets hot in the afternoon. Bring a pop up tent or source of shade with you. Bring lots of cold water to stay hydrated!

*If you are unable to attend the above painting days/times, let us know when you submit your design and we will try to accommodate you.

On Painting Day, check in with the PTSO volunteer. You will need:

1. Your copy of your design.
2. A receipt showing that you have paid for the GCS Parking Permit and hangtag with your space number.
3. A form of ID showing your name
4. A broom to sweep your space before you begin painting.
5. Painting supplies (paint brushes, paint roller, painters tape, bucket of water, etc...
6. Newspaper, tarp and tape to block off areas that are not part of your space so they don't get paint on them.
7. Pop up tent, umbrella, or other shade source
8. WATER and don't forget to wear a hat and sunscreen!

Parking spaces will be the student's personal parking space until the end of the year at which time you will paint over your space. Black paint will be provided by the school. Spaces must be painted over prior to graduation or incur a \$15 fine. The seniors will choose two of their favorite painted designs that will stay for the following school year.
