

WGHS New Remote Learning Schedule

As we continue remote learning, we are moving to a 6 period instructional day on Monday, January 25th. Classes are scheduled for 50 minutes. That time may include direct instruction, independent work, small group remediation or one on one meetings with teachers. This schedule will apply Monday through Friday. It is the expectation that students attend class daily to access instruction. Recorded lessons will continue to be posted for support after class. This is the schedule that we will follow until we return to in person learning.
