

# Northern Guilford High School “Senior” Personalized Parking Spaces

DESIGN APPLICATION WITH PAYMENT—DUE BY JUNE 4, 2021

(No late applications will be accepted!)

Cost \$50

- This is available to rising Seniors only
- \$50 will reserve a parking space for you to personalize (the \$50 does not include the cost of your parking permit (\$51.95), or the cost of the supplies used to personalize space. Checks should be made out to NGHS PTSA for \$50. **Please staple check to design form and mail or deliver to the school.**  
7101 Spencer-Dixon Rd, Greensboro, NC 27455, Attention: PTSA Senior Spots  
**PLEASE NOTE: ONLY CHECKS EXCEPTED! REMINDER BY JUNE 4, 2021**
- Rising seniors who purchase a “personalized” spot will receive the first drawn parking spots in the student-parking lottery. Spots will be assigned in August. You have the choice of a spot close to the school or a spot near the student exit/softball field area.
- *A copy of the design (clearly drawn) for your spot must be attached to the contract and must be approved prior to painting. We will keep this copy, so make a copy for yourself. No design changes can be made.*
- Students must submit a NGHS parking application, valid North Carolina driver’s license, valid car registration, and must have paid the \$51.95 parking application and service fee online. Please bring your own copies. **WE WILL NOT BE ABLE TO MAKE COPIES. Please note the actual parking application will not be available until Mid JULY. A Connect Ed will be sent out to alert you.**
- All designs must be on the Senior Parking Design Request and are subject to approval by the administration. Please include the colors you will be using on your parking spot. Once your design has been reviewed, you will receive an email letting you know that is either approved, or if it must be changed by August 1. Consider that complicated designs take a good bit of time and paint, which can be costly.
- You must paint on specified days and times to be determined (will be in August)
- **You MAY NOT paint or repaint the numbers in the parking spaces. You will be charged a fee of \$50 if your number is painted.**
- Before you will be able to GRADUATE, the student must paint the spot back to black, or a fee of \$50 will be charged. More information on this will be communicated well in advance of the deadline date.

**Important to Note:** If you paint something that isn’t approved or do not use painter’s tape to adhere to specific dimensions, you will be charge an additional \$50.00.

## Mandatory Paint Option

- Water based exterior latex only (Sherwin Williams, Lowes, Home Depot)
- **Four inches (4”) of pavement must remain on the inside of the white parking space lines—use blue painter’s tape to ensure you adhere to the border requirement.**

## Not Allowed

- Oil based paints, reflective paints, spray paints, fluorescent paints, glitter or textured paints.
- No paint sprayers or clear coats.

## Painting Must Be School Appropriate

- Offensive language, pictures, symbols, negative or rude language, and anything associated with drugs, alcohol, and violence will be prohibited. Anyone in violation of the above items may face disciplinary action and may forfeit their right to park on campus.
