The purpose of this letter is to inform you of immunization requirements that will impact rising 7th grade students. Students entering 7th grade are required to have the following vaccines:

**Tdap (tetanus, diphtheria, pertussis)**  
**Meningits (Meningococcal conjugate)**

Please contact your health care provider or local health department if your child needs these vaccines. For complete information, visit [www.immunize.nc.gov](http://www.immunize.nc.gov) or call Guilford County Health Department 336-641-3245.

You will have 30 calendar days from the first day of school to provide the required up-to-date immunization record for your child. State law prohibits a student from attending school if immunization records are not turned in by September 19, 2022. These records can be walked into the school office, emailed [hillk3@gcsnc.com](mailto:hillk3@gcsnc.com) or faxed to 336-316-5837.

Feel free to call or email if you have any questions.
