- If you have a change in transportation for your child, please send in a note with your child to give to the front office/teacher and/or call the front office at 336-819-2890. Please do NOT text or call your scholar's cell phone as this disrupts the learning environment and could result in a phone confiscation by the teacher and/or administration.
- We will not accept transportation changes after 1pm as this is a disruption to the dismissal process.

Car Rider Line and Traffic Flow

Cell Phones

- Please monitor your child's cell phone use regularly at home (social media, group messaging, texting, etc.).
- Each morning, teachers ask scholars to place cell phones in their bookbags for the day and they can be pulled back out when scholars are off campus.
- If a child is seen on or using their phone during the day, per the GCS handbook, their phone will be confiscated, and a parent will need to pick the phone up.
- After a warning and a confiscation, if repeated cell phone usage continues, the school can hold onto the phone, at the principals' discretion.
