

The background of the image is a close-up, slightly blurred photograph of a calendar. The calendar is white with a red header and red numbers for the days of the week. The numbers 1 through 28 are visible in a grid format. A large black rectangular overlay is positioned in the center-left of the image, containing white text. A thin red horizontal line is located below the main title text.

T. W. ANDREWS HIGH SCHOOL

TESTING & TRANSPORTATION UPDATES

EXPECTED OUTCOMES

- Parents and students will know which days student are to be in school for testing
- A better understanding of the transportation shortage
- Available transportation options
