Dear Parent/Guardian:

I hope the school year has started successfully for all of you. As a parent/guardian of a student in Bluford-Peeler STEAM Academy, I am writing this letter to let you know that Bluford-Peeler STEAM Academy, has been designated as a Targeted Support & Improvement – Consistently Underperforming (TSI-CU) school by the North Carolina State Board of Education. As stated in ESSA Section 1111(d)(2), North Carolina had to identify schools for targeted support and improvement. TSI-CU schools in North Carolina are those schools that have a subgroup that is consistently under-performing over an extended period of time. The intent of this opportunity is to improve educational outcomes for all students, close achievement gaps, increase equity, and improve the quality of instruction.

As a TSI-CU school, Bluford-Peeler STEAM Academy is required to develop a comprehensive plan that specifically addresses how the school will improve student achievement. The plan will also include how our district will support us and monitor the progress of our school. The comprehensive plan will address the following areas:

- **Classroom Management**
- **Standards-aligned Instruction**
- **Professional Learning Communities (PLCs)**
- **Instructional Leadership – 1-to-1 Coaching**
- **Recruitment & Retention of Effective Teachers**
- **Support for Grade-to-Grade Transitions**
- **Implementation of a Tiered Instructional System**
- **Data-Driven Decision Making**
- **Student Support Services**
- **Family and Community Engagement**

We have set the following goals for Bluford-Peeler STEAM Academy this year:

- *Continued implementation of CKLA (Core Knowledge Language Arts)*
- *Implementation of Eureka Math Squared*

Parent engagement is at the heart of our school improvement efforts. Here are some ways we can work together:

- **Make sure that both you and your student are aware of academic expectations set for your student this school year. A list of learning objectives in student-friendly language is available from your student's teacher(s).**

- **Monitor your student's homework.**
- **Monitor the progress your student is making and attend meetings with your student's teacher(s).**
