Dear GCMC Students, Teachers, Families, and Community:

It is with great excitement that I write this letter of introduction to you as the new Principal of Greensboro College Middle School! I am honored to have the opportunity to lead a school with such a rich history, amazing students, dedicated staff, and a supportive school community. I feel very fortunate to be your new leader and to support the students, staff and families.

I have been dedicated to the field of education for more than thirteen years. I have worked with students ranging in age from Grades 6 through 12, in a variety of roles. I am a licensed Special Education Teacher and have served in the roles of Curriculum Coordinator, Instructional Coach, Resident Principal, Assistant Principal for New York City Public Schools and Charlotte-Mecklenburg Schools. Most recently prior to serving in Guilford County Schools, I have served as a district leader in the work of Diversity, Equity and Inclusion for Mooresville Graded School District and Iredell Statesville Schools. I have served as Principal of KIPP Charlotte (KIPP) and Ferndale Middle School (GCS). At the core of my belief system is that every child is deserving of a high-quality education, no matter what zip code they were born in, or any other demographic indicator assigned to them.

On a personal note, I am recently married and I am a proud member of a beautiful blended family. Both of my daughters are proud Guilford County students and they enjoy the rich legacy and quality of education that GCS is known for, one that values high standards by providing rich learning experiences for all students.

I consider myself to be a lifelong learner, as well as an overcomer of many challenges to attain my own educational achievements in life. I look forward to continuing the legacy of strong leadership that Greensboro College Middle College is known for. I honor the work of our staff and their dedication to our students. I look forward to meeting each of our students and parents and continuing the journey of preparing our students for college and career!

For all our students,

A handwritten signature in cursive script that reads 'LaToya Caesar'.
