10-18-20

Good Afternoon Parents:

Our goal is to provide options to our RFES families as we move forward in the school year. In doing so, we will be providing both in person instruction and remote learning for our RFES students. Therefore, we will be making logistical adjustments to the instructional day and class rosters. As we prepare for K-2 students to return to the building for in person instruction on Tuesday, 10-20-20, adjustments will need to be made in order to accommodate parent preferences while still ensuring we are adhering to the health and safety guidelines for our staff and students. RFES staff are following up with parents to confirm their 1st choice preference that was indicated on the GCS Preference Form. As we do so, adjustments will need to be made to class rosters. All K-5 parents will receive a phone call on Monday verifying your child's class assignment.

Please keep in mind that as adjustments are made to accommodate parent instructional preference, any request for a change would create a domino effect for everyone. Thank you for your ongoing patience and collaboration as we work together to make these adjustments while finalizing our preparation for October 20th.

Remember, the 3-5 in person instruction has been delayed until at least November 4th.

Please contact me if you have any questions.

Thank you,

Jeanelle Lindsay

Jeanelle Lindsay, Principal
