

## **OUT OF THE GARDEN PROJECT**

GIVE • TEACH • GROW

### **Out of the Garden Project HARVEST STAND is coming to you.....**

#### **What does the HARVEST STAND look like?**

The HARVEST STAND is actually a 18 foot trailer attached to our Out of the Garden Project truck. The trailer has been modified to allow for the transport, display and sale of fresh produce. HARVEST STAND signage is clearly visible on both sides.

#### **What will be available for purchase, and how expensive will it be?**

Our goal will be to offer the freshest produce priced very competitively, similar to what you pay at the discount grocer. In addition to offering vegetables for sale by weight or volume just like at the store, we'll also sell very tasty menu kits: everything you need to make a specially selected, farm-fresh meal or side dish (not just the recipe; the ingredients too!) at a fixed, very reasonable cost.

Examples:

Tomatoes	\$1.50/#
Sweet Potatoes	\$1.00/#
Yellow squash	\$1.25/#
Carrots.	.85/#

#### **What days /times will the HARVEST STAND be open?**

We'll run on **Wednesdays from 2:00-4:00** at 1201 Merritt Drive – New Heart Community of Friends Church parking lot (next to Hunter School).

#### **Why have a HARVEST STAND?**

There is a strong need for healthy, affordable produce to be accessible to all areas in our community. HARVEST STAND will provide a valued service toward this end and will also support the local growers, helping to broaden the demand for their produce so they can thrive too.

#### **Are there any COVID restrictions?**

We ask that all customers wear mask and keep 6 feet apart. The number of individuals inside the trailer will be monitored carefully. Masks will be available.

If you have further questions please contact Carolyn at [harveststand@outofthegardenproject.org](mailto:harveststand@outofthegardenproject.org)!
