

Hunter Elementary Weekly News Week of January 11 – 15, 0221

Hello, Hunter Families!

Thank you for a great first week back with our students!

For 5th grade families interested in applying to magnet middle schools, the Magnet School Application opens January 14th. Families can learn more on the [GCS website](#) and participate in a virtual showcase the first week of February.

Here are a few reminders for our car riders. PreK students are dropped off using the Immanuel Road entrance. Kindergarten through 5th grade car riders use the Merritt Drive entrance. During K-5 arrival, have your student ready to exit the right side of your vehicle when approached by a staff member. Do not pull around the vehicle in front of you unless directed by a staff member. Review the health screening questions posted on signs as you approach the unloading zone. During dismissal, your student will wait to enter your vehicle once parked at a traffic cone. We are focused on the safety of everyone.

We now have some numbered parking spaces in our staff and visitor parking lots. Please avoid using the numbered spaces.

Remote students are reminded that attendance and participation in live instruction are required daily. Remote learners will soon receive detailed information in the mail.

Grab-N-Go meals are available on weekdays at Jackson Middle and Smith High. Visit the [GCS website](#) to find additional meal locations.

As always, “Together We Can!”
