Here Comes the Bus!

We recommend downloading the "Here Comes the Bus" app, available for both iOS and Android devices. This user-friendly app will provide you with real-time tracking, allowing you to monitor your child's bus location and estimated arrival time conveniently from your smartphone.

To download the "Here Comes the Bus" app, please follow these steps:

1. Go to the App Store (iOS) or Google Play Store (Android).
2. Search and install for "Here Comes the Bus."
3. Install the app on your device.
4. Sign in using the same credentials as your PowerSchool Parent Portal account.

We are committed to ensuring the well-being and security of all our students during their daily commute. If you encounter any difficulties or have questions regarding the transportation process, please feel free to reach out to our Transportation Call Center at (888) 511-4GCS (4427) or your child's school for assistance. Thank you for your partnership in making this school year a successful and enriching one for our students.
