

Attention!

**Has Your
Student
Received the
Required 7th
Grade
Vaccines?**

*Get your student's
vaccines at school this
Spring!*

All 7th graders must have a booster dose of Tetanus, diphtheria and pertussis (Tdap) and one dose of Meningococcal Conjugate Vaccine (MCV).

The Tdap vaccine protects against tetanus, diphtheria and pertussis.

The MCV protects against meningococcal disease which is a serious illness that can lead to infections of the brain, spinal cord and blood.

If you have any questions about this opportunity, please call the Guilford County Public Health, School Health Nursing Department at 336-641-3896.
