

Sumner Elementary School: Spirit Rock

Along with welcoming our new principal, Dr. Jones-Goods, Sumner is welcoming a new Spirit Rock. Dr. Jones-Goods took a trip to a rock quarry, over the summer, to pick out the new addition to our school. Once the rock was hauled in, Mrs. Sayani and the Northern Guilford High Art Club painted the rock. The Sumner Seahawk Spirit shines bright with the addition of our new Spirit Rock!

Thank you to everyone involved with this project! You all have made our campus a more beautiful and prideful site!
