________________________________________________________________________
________________________________________________________________________

2. Write down three to four specific symbols or themes from your dream. Then use the resources (from your teacher) to interpret what possible meanings they may have.

#1: __________________________
   Meaning: ____________________
   ________________________________________________________________
   ________________________________________________________________

#2: __________________________
   Meaning: ____________________
   ________________________________________________________________
   ________________________________________________________________

#3: __________________________
   Meaning: ____________________
   ________________________________________________________________
   ________________________________________________________________

#4: __________________________
   Meaning: ____________________
   ________________________________________________________________
   ________________________________________________________________

3. Write a short paragraph about what your dream means. Be specific—think about how the symbols and themes relate to yourself and the events and people in your life.
