

Create a Parent/Guardian Observer Account for Canvas

In the student's Canvas Account...

1. Go to Account by clicking the person icon in top left of screen
2. Then select Settings
3. Then click the "Pair With Observer" button (lower right of screen or bottom of screen depending on device)
4. Write down the code

Then the parent/guardian creates the account by...

1. Going to <https://gcs.instructure.com/login/canvas>
2. Select "Parent of a Canvas User? Click here for an account"
3. Enter your name, email, choose a password, and enter the pairing code (#4 from above)
4. Start observing!
