Class of 2021

Dear Senior Parents:

Greetings from your Volunteer Senior Events Committee! We are a branch of the PTSA and our main goal is to provide our Seniors with some special and memorable events during their final year in high school.

In the past, the committee has provided the Legendary Senior Breakfast, Gas Card Give Away Days, Coffee and Doughnut Fridays, Entire Senior Class Photo with Pizza Party, Skybox Receptions during basketball games and of course the End of Year Senior Picnic. This year of course will be different than any other, please stay patient with us as we work to find clever, creative, and safe ways to celebrate.

As you know, everything comes with a cost, money and time! We are asking our Senior Families to donate **\$20.00 per** senior student to help us fund the operation. The more we collect in donations, the less we will have to do in fundraising.

Checks can be made out to the NGHS PTSA and mailed into the front office. Or if you prefer, make your donation remotely on Memberhub.

There are also many ways to volunteer your time! Our committee will meet monthly to plan as best we can, during these challenging times. We will be serving approximately 320 seniors this year! Your donations will assist to make the Class of 2021 the absolute best!

If you would like to volunteer or would just like to receive email updates please feel free to email me at mollykaiser@me.com. Congratulations to you and your family for raising an Awesome Northern Senior! Thank you in advance for your donations and support.

Molly Kaiser and Kelly Tritschler
Senior Events Co-Chairs
