WHAT IS A SCHOOL-PARENT AND FAMILY COMPACT?

A School-Parent Compact for Achievement is an agreement developed jointly by parents, students and teachers that follows the federal guidelines as stated in the Every Student Succeeds Act (ESSA). The compact explains how parents and teachers will collaborate to make sure all students reach or exceed grade-level standards.

COMMITMENT FROM OUR SCHOOL

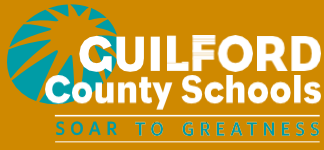

We are committed to:

- Helping parents understand what children are learning and doing in their classrooms by maintaining consistent communication via parent-teacher conferences, bi-quarterly interim report, report cards, correspondence from teachers; as well as opportunities for workshops, newsletters, curriculum nights and walk-the-schedule nights.
- Supporting parent participation in learning activities by hosting workshops for parents and providing parents with opportunities to volunteer.
- Providing several methods for regular teacher-parent communication, so that parents are kept up-to-date on their child(ren)'s progress by making parents knowledgeable about PowerSchool Parent Portal and providing frequent progress reports.
- Providing regular tips on home learning with the support of Guilford County School's Guilford Parent Academy by making parents knowledgeable of homework hot-lines, and events sponsored by GCS Parent Academy.
- Ensuring that the language and format of the School-Parent Compact and other information regarding school activities are family-friendly by translating documents and ConnectEd messages into appropriate languages.
- Providing parents, the opportunity in developing and revising the school compact by ensuring parents are aware of opportunities to participate in School-Based Leadership Team Meetings and soliciting comments.
- Building the capacity of school staff to support parent and family engagement by hosting professional development regarding implementation of key components in increasing parent and family engagement, and by providing opportunities for teachers and parents to work together.
- Providing students access to a device to support their in-school and at home learning; as well as teaching digital citizenship and responsibility that comes with Internet and technology access.

COMMITMENT FROM PARENTS AND FAMILY

As parents and family members invested in the education of our children, we promise to:

- Be responsible for supporting our children's learning at school by participating in decisions related to our child(ren)'s education, volunteering, and serving on school-based teams such as School Improvement Team, PTO, or other school advisory groups.
- Be responsible for supporting our children's learning at home by promoting positive use of my child(ren)'s extra-curricular time, staying informed about my child(ren)'s education, and communicating with the school.
- Be responsible for providing accurate contact information and updating information as needed for staff to provide timely communication regarding their student's academic and behavioral progress; as well as, additional school information and updates from the school.
