# Fall Play! Baalzebub

- Auditions this Thursday Sept. 26
- <http://bit.ly/WGfallplay19> (capitals matter!)
- Cold readings! No monologue necessary!
- What would a group of girls do if they were abandoned alone, at a refugee camp, in an unnamed war zone, away from adults and civilization? As time passes without rescue, the girls face the adult challenges of creating and maintaining a working society, as they struggle to cooperate, understand their differences, define themselves, and survive. Will they establish civility or fall apart? A response to the classic novel, Lord of the Flies.
- --12 Characters needed [1 Man, 11 Women]
