VI. Indicators to Assess-Create-Monitor

Indicators Assessed

Objectives Planned For

Monitor (updates made)

Key Indicators: A4.01 and A4.06

A4.01--The school implements a tiered instructional system that allows teachers to deliver evidence-based instruction aligned with the individual needs of students across all tiers.

A4.06--ALL teachers are attentive to students' emotional states, guide students in managing their emotions, and arrange for supports and interventions when necessary.

NGMS will use Teacher Admin Data (TAD) meetings as IST to help identify struggling students in order to provide appropriate Tier 2 and Tier 3 academic and/or behavior supports for students

--How do we support teachers with making these things happen?

--TAD today->What help is needed for Tier 2 and 3 for teachers?

--Letters sent to students at the end of the first quarter who are failing 2 or more subjects. NGMS sent home less than 20 letters school-wide at the end of the 1st quarter.

--Bowie will check MTSS Canvas site for resources for teachers.

--Potentially, Bowie can share Goalbook during GL/TAD as a resource for teachers for Tier 2 and 3 interventions.

VII. Other Business

Action Taken:

A. 1st Qtr Grade Summary--597 A and A/B honor roll students school-wide. Roughly 80% of our population; so, core instruction is reaching 80% of our students. Parents can request certificates to be printed

B. Traffic Study--DOT will conduct a traffic study of NGHS and NGMS on 11/14. Info will be shared with the staff and community once results are known.

C. Instructional Leadership Team (ILT)--Teachers on SBLT are being pulled to conduct walk-thrus and an additional sub-committee meeting

D. Other
