- Don't just be nice, be kind.
- Draw, paint on your OWN work only.

- If you must swear, please do it elsewhere...thanks!

Think - **Understand and demonstrate.**

- Listen when others are speaking.
- Raise your hand to ask or answer a question.
- Your sketchbook is an important tool - use it as much as possible.
- Take creative criticism as part of the learning process.

Imagine - **Be creative and dream!**

- What do you love? How can you make things meaningful to you?
- Mistakes are part of the process and can be a good thing.
- Experiment, think out of the box.
- Take risks!

Spic & Span - **Clean up after yourself and help others.**

- Yes, this can affect your grade.
- No food or drink in class.
- A late pass is better than leaving things a mess.

Talk Quietly - **Stay on target and keep working.**

- Sometimes I ask for silence for certain work.
- Chat with your neighbor if you must, not across the room.
- Stay in your assigned seat.
- No cell phones unless you have permission.
