

SLT Minutes 3.2.2021

The meeting commenced at **8:33am** via Teams.

Copies of the February meeting minutes were sent via e-mail and are available on the school website. A motion was made to approve the minutes. The motion passed.

Old Business

Mrs. Colson provided a registration update informing everyone that Counselors would start visiting 2nd block classes on March 8th and remote students would be registered on Wednesdays.

New Business

Ms. Vaughn provided an update from her recent Teacher Advisory Council meeting with the Superintendent.

- Vaccinations were a big topic with the goal being 70% of staff vaccinated.
- High school test scores were shared with trends showing that Math scores are being impacted more significantly than Reading. SLTs should be considering ways to prevent learning loss.
- The effective use of masks was highlighted with the 4-ply masks on the way.
- North Carolina has applied for an accountability waiver with the federal government that would remove the requirement to test at least 95% of each subgroup. We are waiting to hear back about this waiver.

Ms. Vaughn asked that people bring any concerns to her before her next meeting.

Jamie Davis shared that on March 23, we would administer the PreACT along with the ACT make-up. This will likely need to be an asynchronous day but once the March 9 ACT date has passed, we will know more about how numbers and the need for an asynchronous day.

Homecoming has been moved to March 26th due to teams being quarantined. Homecoming court will only include Seniors since we have limited seating in the football stadium due to 30% capacity.

Projections for the upcoming school year have student enrollment at 1253 which could result in the loss of an instructional position, but we will know more by April. Last year, our projection was 1280 and we lost a position.

The Math Department raised concerns about people not following directional hallways when it rains. Seagraves will speak with the Annex folks.
