Ms. Vaughn shared that the next Superintendent's Teacher Advisory Committee meeting is Thursday, April 15. If any staff member has questions or concerns, they should send those to Cynthia Vaughn.

Seagraves and Rich shared what they know about graduation and outside of knowing it will be in person, there are no other updates. Date and time of graduation or to be determined and will be communicated as the district provides more guidance.

Seagraves provided an update on how Senate Bill 220 will impact Southeast High. Senate Bill 220 required EC and 504 students be extended the option to attend school 5 days a week. GCS chose to extend this invite to ELL students as well. Out of the 273 students identified as EC, 504 and ELL at Southeast, 132 students have opted to join Cohort C (4 days) and Cohort D (5 days). Cohort C and D will begin April 12. This will mean that around 63 students will be on campus each Wednesday starting April 21 (April 14 would have been their first Wednesday but the day is remote asynchronous due to PreACT testing). Starting April 21, Cohort D students will walk their schedule following the remote daily schedule of 10, 11, 1, and 2 so they see each block. EC TAs will manage their lunch hour and 3:00-4:25 to help with goal maintenance and ensure students are attending tutorials. All staff should be aware of how many Cohort D students they will have each Wednesday by reviewing the Cohort Spreadsheet. 51 of the 63 Cohort D students are general education while the remaining 12 are OCS and Life Skills. As of April 6, no plans for GCS to open on Plan A (100% students back on campus) have been announced but in preparation for the return of more students, classroom furniture is being returned to classrooms.

Seagraves shared that we are still waiting on 2021-22 allotments to determine what staffing will look like for next school year.

As a reminder, April 27 is a remote asynchronous day due to SAT testing for 11th graders.
