

Greetings Ferndale Families!

This is PROUD Principal Caesar-Crawford.

We are super excited about Week #12 of SY21-22! Here are a few important updates and reminders for this week.

Instruction

The week of November 1 is a regular instructional week. We look forward to welcoming scholars back to the building!

As a reminder, the instructional day begins at 9:20 AM each day. Please do not drop your student off before 9:00 AM each day as we need to ensure there is appropriate supervision for our students at all times.

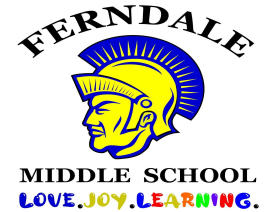

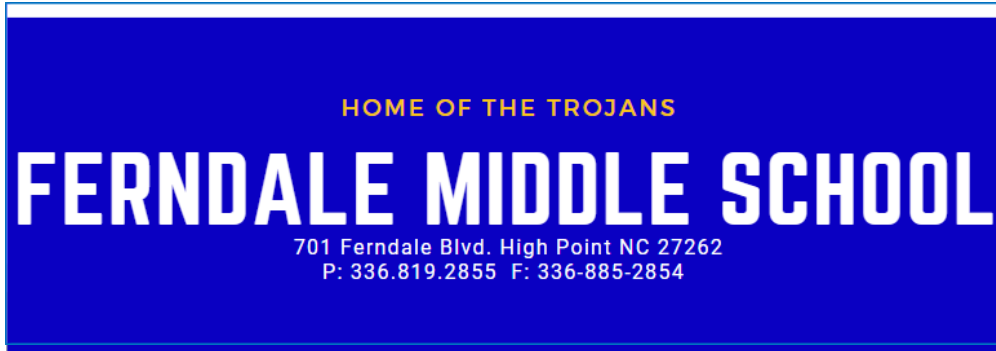

Students that arrive after 9:20 am will be marked tardy, receive a phone call home, and multiple tardies will result in an impact to their attendance record and student event participation.

Schedule Adjustment

This week, as the beginning of Quarter 2 commences, we have made adjustments to our Master Schedule and your student may be assigned to a new class or be provided a new schedule.

Immunizations

On September 24, the Governor issued an executive order extending the deadline for students in 7th and 12th to receive their required Tdap and MCV immunizations. Students who have not yet received their booster shots of these vaccines may return to school but must receive the vaccinations by November 30, 2021. Please schedule an appointment with the health department or your health care provider as soon as possible to avoid missing more instructional time. If you are contacted to ensure that your student has received the immunization, please ensure that you have the appropriate documentation to submit with your student this week.

Safety:

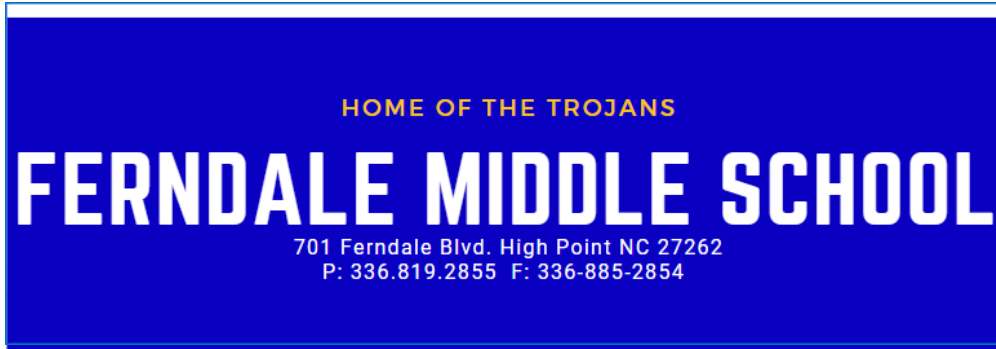

We want to strongly reiterate, that students exhibiting any symptoms such as fever, cough, weakness, headache, etc. should NOT be sent to school. If a student exhibits these symptoms during the school day, the student will be isolated until a parent can pick them up.

All students and staff are REQUIRED to wear masks at all times in class and common areas in the building. If you are in need of a medical waiver form to exempt your student, please contact the Front Office and we can arrange to have a form sent home.

Moving forward, a Family Notification Letter will be sent when the school receives a notification of a new confirmed positive/infectious COVID case in our school building. The letter will be sent to the families of any students who may have been present in the impacted classroom or area with the positive/infectious person. Please refer to the Guilford County Schools website re-opening of Schools Q&A document for further information at www.gcsnc.com/reopening.

Bus Behaviors

As the school year progresses, we would like to ask for your help in partnering with us to ensure that students understand the importance of adhering to bus rules. Students should remain seated at all times, remain distanced in their seats for safety, and adhere to the instructions of the bus driver at all times. Any non-adherence to the bus driver rules will result in a disciplinary response that could include suspension from the bus.

Early Dismissal:

Early dismissal begins at 2:30 PM each day, and only then with prior notice to the front office.

Early dismissal for students will be permitted for medical reasons and student or family emergencies, etc. Excessive early dismissals will result in a letter sent home and require a meeting with the Principal. It should also be noted that any dismissal before 1pm each day is considered an absence **(as all students must be in school for at least half a day in order to be marked present.)**

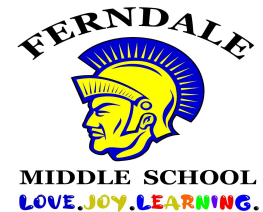

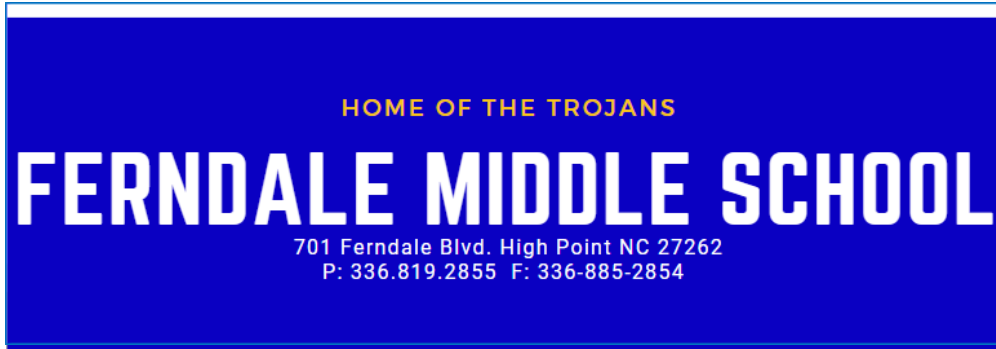

Athletics

If your student has tried out and has been selected to play a sport in our athletics program this year, please be reminded of two things:

- If they are unvaccinated, your student will have to undergo COVID-19 testing and that testing schedule/information will be shared in future communications.

- Your student must maintain specific academic and behavioral expectations in order to continue to participate.
