

Good evening, Tigers this is Mr. W, principal of Kiser Middle School, with a reminder about Tuesday, March 5th.

All Kiser students will learn remotely on Tuesday, March 5th since Kiser is a polling site for the primary elections being held tomorrow in North Carolina. Students should complete their assignments in Canvas and teachers will have a scheduled time on Microsoft Teams to assist students.

Also, students who need breakfast and lunch can come to school any time between 10:30-11:30am to see our school nutrition staff who will have both prepared to pick up tomorrow.

Thank you and have a good evening!
