Action Taken:

School Logo-request made to revamp the digitized version of our school logo to reflect the meaning of our school. There is concern that the current digitized reflects "the eagle" holding up the world and the thought is to have it reflect more of a community feel.

TIPA -Ms. Van Shaick reported on the successful events happen in the Title I Parent Ambassador organization

Title I Funding-We will be using available Title I funds for the Family Dictionary Program, Student Leader Atlanta Field Trip, extension of tutor program

Food trucks at I-Day event-the option of having food trucks available during the I-Day event was dismissed due to concerns of distraction and financial limits for our families. Instead, it was decided that attendees who are riding using the GCS buses for transportation that day for the event will receive a water, fruit, and cereal bar bag upon departure.

PD Day teacher feedback-The ES has shared that the vertical format during the PD-Day sessions do not work as well as the grade-level team format for planning purposes. It was suggested that instead of 1 teacher from ES participating in the PD-Day session of that day, that 2 ES team members would attend together so that way they would have planning partners.
