I. SIP Goals

Overview of Goals (A4.01, B2.03, E1.06, and A4.06) and FAM-S items that support the goals were outlined.

A4.01—The school implements a tiered instructional system that allows teachers to deliver evidence-based instruction aligned with the individual needs of students across all tiers.

B2.03—The school has established a team structure among teachers with specific duties and time for instructional planning.

E1.06—The school regularly communicates with parents/guardians about its expectations of them

and the importance of the curriculum of the home (what parents can do at home to support their children's learning).

A4.06—ALL teachers are attentive to students' emotional states, guide students in managing their emotions, and arrange for supports and interventions when necessary.

This year will we be intentional about targeting achievement and learning loss.

Ways we are addressing E1.06:

- Canvas Observer Accounts
- Team Nights
- Remind App--more info coming
- Bi-weekly newsletters
- Sharing with students and families their reading levels and their individual goal on how they can become a better reader
- Polling Parents about topics for Parent Workshops--One option "What do the ARC levels mean by level?"

II. 2021-22 Data in comparison with previous years was shared as well as subgroup data

III. Other items brought up:

- EOG test scores from last year--we will send them out by the end of the month.
- More outside seating at lunch needed--Pine logs for potential seating. Ms. Pearson is going to work on this.
