

Plagiarism Pledge

- Please refer to the GCS Student Handbook for details about punishments/consequences for plagiarism.
- Plagiarism is NOT and will NOT be tolerated for any assignments during the semester.
- This is a **non-negotiable** for my class. Accidental plagiarism counts towards this as well.
- During this course, students will be expected to craft original work in all assignments and use their own thoughts to answer questions and respond to prompts.
- We will cover and review the correct way to cite in MLA format, which will be used for all essays. There is no excuse to not know and correctly use this format for essays.
