Dear Parent/Guardian:

I hope the school year is off to a successful start for you and your child. I am writing this letter to let you know that Eastern Guilford Middle School has been designated as a Targeted Support & Improvement Additional Targeted Support (TSI-AT) school by the North Carolina State Board of Education. Per ESSA Section 1111(d)(2), schools are identified as TSI-AT schools in North Carolina because one or more of the following subgroups received a subgroup performance grade score at or below the highest identified CSI-LP school's All Students group during the identification year; and is on the TSI-CU list for the subgroup(s) for the previous year. Subgroup performance scores are provided for the following subgroups: (1) Students with Disabilities, (2) Economically Disadvantaged, (3) Black, (4) White, (5) Hispanic, (6) Asian-Pacific Islander, (7) Multi-racial, and (8) English Learners. This letter is to notify our parents and guardians of Eastern Guilford Middle School's intentions to improve educational outcomes for underperforming student subgroups and close achievement gaps for all students.

As a TSI-AT (ATSI) school, Eastern Guilford Middle School is required to develop an Additional Targeted Support and Improvement (ATSI) plan that specifically addresses how the school will improve outcomes for underperforming subgroups. The plan will also include strategies that our district or charter will employ to support Eastern Guilford Middle School's improvement efforts. The ATSI plan will address the following areas:

- Classroom Management
- Standards-aligned Instruction
- Professional Learning Communities (PLCs)
- Instructional Leadership
- Recruitment & Retention of Effective Teachers
- Support for Grade-to-Grade Transitions
- Implementation of a Tiered Instructional System
- Data-Driven Decision Making
- Student Support Services
- Family and Community Engagement

We have set the following goals for Eastern Guilford Middle School this year:

- By June 30, 2024 Eastern Middle School will increase its overall Performance Composite by at least three percentage points, from 32.4% in 2022 – 2023 to 35.4% in 2023 -2024.
- By June 30, 2024, Eastern Middle School will increase overall 8th grade math proficiency by at least five percentage points, from 7.1% in 2022 – 2023 to 12.1% in 2023 – 2024.
- By June 30, 2024, Eastern Middle School will decrease chronic student absences by five percentage points, from 35% in 2022 – 2023 to 30% in 2023 – 2024.

Here are some strategies that we will be implementing to improve student outcomes:

- Teachers will receive training on the co-teaching model.
- Teachers will participate in weekly data meeting, analyzing/diagnosing student's data to determine corrective instruction and small groups.

Also, parent engagement is at the heart of our school improvement efforts. Here are some ways we can work together:

- Ensure that both you and your child know the academic expectations set for your child this school year. A list of learning objectives in student-friendly language is available from your student's teacher(s).
- Call Mr. Charlie Smith at 336-449-4255 if you have questions or concerns about your student or to set up an appointment to meet with a school staff member who will be working with your child.
- Make sure that your child is prepared and attends school each day.
- Monitor your child's homework.
- Monitor the progress your child is making and attend meetings with your child's teacher(s).

We are committed to improving student performance. It is important to remember that just as no single score or grade tells the whole story of a student, neither does it tell you everything about a school's performance or the opportunities that our school provides. The intent of receiving these designations is to improve educational outcomes for all students, close achievement gaps, increase equity, and improve the quality of instruction. We're excited about this school year and are working to make it a success for your child. Already, we have:

- Daytime tutors
- Weekly small group instruction
- Weekly data PLCs
- Math and ELA coaching for teachers
