

SEHS SLT Minutes 8.17.2022

The meeting commenced at **3:02pm** via Teams.

Copies of the July meeting minutes will be reviewed and approved at the September meeting.

Old Business

SLT reviewed the proposed Attendance Policy. SLT added one clarifying statement and approved the [Attendance Policy](#).

New Business

Mr. Scott along with the admin team would like to have a touch point with all students at the start of school. Understanding that class meetings are quite disruptive, Mr. Scott suggested holding a schoolwide meeting via Teams during 2nd block. Teachers would simply join the meeting and project their screens so that students can virtually attend. There were concerns expressed about this taking instructional time as well as some teachers not projecting the meeting but ultimately it was decided to conduct this 15-20 minute Teams meeting in the first week during 2nd block which is 2 minutes longer each day for announcements (which will ne be read the first week).

Feedback was requested concerning the logistics of picture day. SLT wanted to keep our logistics the same in which chunks of a grade levels alphabet goes at a time with one grade level going during a specified block.

Parent and Student Questions / Announcements

None.

The meeting adjourned at **3:41pm**.
