ADVANCED PLACEMENT COURSES

Advanced Placement is a program which allows students to take college level courses at their own high school. Such courses are accepted by many colleges for credit, provided that a sufficiently high score is made on the exam at the end of the course. Most courses are year-long and are designed to offer an indepth study of the subject area. Materials used will be on the college level and students are required to take the AP exam for each AP course they take. All students enrolled in an AP course are required to take the AP exam.

Honors courses are those advanced courses whose level of difficulty is such that they can carry Honors credit. They do not attempt to prepare students for AP exams, and they do not carry any college credit.

AFTER SCHOOL

Students are the responsibility of every staff member, throughout the school, and failure to obey directions will result in disciplinary action. Students staying after school for any type of activity are reminded that school rules apply whenever and wherever a student is on campus.

Students remaining after school are subject to the same rules which apply during the school day.

Exit the building at 4:20 pm from if you are a car rider, driver or riding the bus.

All students will be in their designated area (tutorial, band, Hub or athletic practice) by 4:30pm, NO EXCEPTIONS!!! Students who do not follow these procedures will face disciplinary actions.

Outside doors will be locked at 4:30pm daily.

ARRIVAL

Students will....

- Enter the building at 9:05 am from the main entrance for car riders or the “B” wing entrance for bus riders only. Report to café for breakfast or café commons area.
- Report to **FIRST BLOCK complying** with dress code **at 9:15am**
- Report to the Attendance office with a parental note for a tardy pass when arriving after 9:20am. Students must have this Attendance pass to be admitted into **FIRST BLOCK after 9:20.**

ASSEMBLIES

1. Students will be accompanied to and from assemblies and supervised by the teachers.
2. There will be assigned areas for classes in the assemblies and students are expected to enter quietly.
3. Students are expected to actively **LISTEN** and remain in their seats until dismissed **by the teacher.**
4. Students will not use their voices for personal conversation or to express approval or disapproval of performers. Regardless of the type of program or the time of day, students are expected to be respectful and appreciative and will be courteous of the performers and/or speakers.

ATTENDANCE EXPECTATIONS

To be considered in attendance, a student must be present in the school for at least one-half of the school day or at a place other than the school with the approval of the principal. **Students missing 45 min. of class are marked as absent.**

All absences **require a signed note** from the parent/guardian explaining the absence. The student will deliver the note to the Attendance Office upon return to school by 9:20am. If a note has not been submitted within **three (3) days, the absences will be recorded as unexcused.**

Parents/guardians are requested to contact school personnel when extended, unanticipated absences occur. **Prior approval is required for any student departing from campus during the school day.** This note must be given to the attendance secretary the morning of the early departure.

The first three excused absences are handled between student and teacher(s). Students are expected to make up work assigned during the lawful absence(s) within three school days of the student's return to school. The actual grade earned will be recorded. **The ultimate responsibility for make-up work lies with the student.**

ABSENCES (EXCESSIVE/UNLAWFUL)

- Students who have four or more absences from a class during quarter will be placed on **NO CREDIT STATUS** until attendance obligations have been met.
- Parents will be notified by the school of the **NO CREDIT STATUS** and students will be provided with an opportunity to regain credit status.

Opportunities for makeup time include:

1. After school tutorial with a teacher
2. Learning Hub

Removal of **NO CREDIT STATUS** is earned at the rate of one session of forty-five (45) minutes per absence in all ninety-minute block courses. Students cannot have more than 3 absences per class per nine weeks. All subsequent absences must be recovered. Attendance is taken by class period not just the overall day. Students must be in class 45 minutes of each period in order to be counted present.

BUS TRANSPORTATION

Bus Transportation Hotline---1-888-511-4427

The State of North Carolina provides buses as a means of transportation to and from school. **Riding the bus is a privilege, not a right.** Failure to obey the basic guidelines set forth in those rules can result in losing the privilege of free, public transportation to and from school. Parents: if your child is experiencing problems on one of our buses, please bring it to our attention immediately. Transportation requests may take up to 2 weeks for approval.

1. Arrive at your designated bus stop five (5) minutes before the bus is scheduled to arrive.
2. Ride your assigned bus only and get on and off at your assigned location.
3. Always obey instructions and expectations of the bus driver.
4. Always scan your student "ONE CARD".
5. Always stay in your assigned bus seat, and do not disturb the driver or other riders.
6. Do not put hands or arms out of the window or throw objects from the bus.
7. Eating or drinking on the bus is prohibited.
8. Do not leave paper or other trash on the bus.

12. Permission to ride an alternate bus is required in advance from parent/guardian and administration and approved by Transportation only.

If a student misbehaves on the bus, he/she may be suspended from riding the bus and may be suspended from school. Buses are equipped with cameras which will continue to monitor student behavior on buses.

All buses will depart from school at 4:25 p.m.

CAFETERIA/LUNCH PROCEDURE

All students will remain in the cafeteria or designated patio areas during lunch. Students have the option to bring lunch or purchase food in the cafeteria.

Students should travel to and from lunch using the designated hall routes. Classes are in session during all five lunches and the noise going to and from lunch should not interrupt classes.

All students are required to remain on campus and all students are required to remain in school during lunch periods to eat a nutritious meal under the supervision of school personnel. Southern Guilford is a Closed Campus.

www.lunchapplication.com Free and reduced breakfast and lunches are available for any student qualifying by the established guidelines. **Every student receives a Free/Reduced Meal Application at the beginning of the year. Students should have parents completely fill out the application and return it to the front office within the first few days of beginning school.** Students who were on free or reduced lunch the prior year must file an application for the current school year and get it approved within the first 10 days.

At the beginning of the school year, each student is assigned a student number and a **ONE CARD**. This number serves as the students account number and **ONE CARD** should be presented to the cafeteria cashier each day when going through the cafeteria line. Students may deposit money into their account at any time for cafeteria purchases. **Student account number should be kept confidential. A student should not share his/her number with anyone else or knowingly use someone else's number in the cafeteria.** Please call the child nutrition Office for details prior to purchases.

Students will...

- Move quickly to his/her next class when dismissed from the cafeteria

*Note: Students may use electronic devices in the cafeteria. The school will not be responsible for any lost or stolen property. School officials will not take time away from other responsibilities to investigate these incidents, and **STRONGLY** encourage students to leave such equipment at home.*

THE “CHOICES” CENTER & ISS/OSS

The “**CHOICES**” Center is an in-house program to which a student may be assigned for a short period of time in lieu of out of school suspension (OSS). It is designed to counteract many of the negative effects of suspension. Instructional time can continue without interruption and special academic help can be provided as needed. The **CHOICES** Center is a corrective measure for a school infraction and will not be perceived as a social center. **CHOICES** is a short-term, period-by-period consequence for students who violate student code of conduct. Exceeding five visits per semester to **CHOICES** will result in further consequences as determined by the administration.

The school has the right to suspend students in accordance to the GCS Student Handbook and NC Law when misbehavior is serious enough to warrant removal from regular classes for a day or more. The principal may assign **ISS** or **OSS**. Students assigned to **ISS** must report to **the ISS /CHOICES CENTER** before the tardy bell and remain the entire day. According to district policy “**A student will not be allowed to participate in any extra-curricular activities during the period of ISS (GCS Policy JD)**.” Suspension from school should be viewed as a very serious matter. Work missed due to out-of-school suspension will be provided. It is the students’ responsibility to complete all assignments.

During Out-Of-School suspension, the student is **prohibited from participation** in and attendance at any school activities associated with Guilford County Schools, and is not permitted on school grounds, at any time, for any reason, including bringing or picking up other students, without prior authorization from the Principal. To do so will constitute trespassing.

DESTRUCTION OF SCHOOL PROPERTY

The State of North Carolina has passed legislation which makes parents financially liable for property damaged by vandalism. This includes all school property, furniture, textbooks, etc.

Students should be proud of their school building and the facilities provided. It is expected that Southern Guilford students will treat all school property with respect and assist in keeping the school clean and the campus beautiful. Students should report any destruction of property which they observe on the campus. See the **Guilford County Code of Conduct** penalties.

DISMISSAL PROCEDURE

Students will...

- Exit the building at 4:20 pm from the main entrance for car riders or the cafeteria commons or “B” wing for bus riders
- Report immediately at 4:20pm to tutorial or practice where they will be in the direct supervision of coaches, band director, club advisor or teacher providing tutorial or detention.
- Be seated inside tutorial classroom or off the campus at the ringing of the 4:30 pm bell
- Follow the Early Dismissal Procedure *(see below) if dismissal is needed before 4:20pm

Dismissal before 4:20pm

If a student becomes ill during the school day and feels that he/she can no longer remain in school, the student must first report to the teacher. The teacher will give the student a pass to come to the Attendance Office. We will then call the parents or guardians. It is most important that a student be able to give us correct information as to where we may reach parents. If a student leaves school before 11:30 a.m. for the remainder of the day, that student will be counted absent from school that day.

Students **will not** be released before the end of the school day to anyone but parents or guardian(s). A person to whom a child is released must first sign the proper form in the Attendance Office. Parents or guardian(s) may send a note to the Attendance Office giving permission to contact another person (name and telephone number).

If it is necessary for a student to leave school early other than for illness, a note that has been signed by the parent(s) or guardian(s) must be submitted to the Attendance Office before 9:20 a.m. and an early dismissal permit will be issued.

Telephone numbers should be included in the note. **If anyone other than the parent or guardian is to pick up a student, two things are required for each early dismissal-**

- A note saying who will pick up the student.

- A call verifying the written note.

All enrolled students at Southern Guilford High School must follow the steps below to be documented with an excused absence for an early release.

We kindly ask that there are no check-outs after 3:45pm. Checking out after this time can cause a long line, congestion in the entrance, and confusion once we get closer to the dismissal time.

Parents must enter the building and sign your child out at the attendance desk at the main entrance.

Students can also turn in a signed note in the morning to the Attendance Desk with the time of release and provide a telephone number for confirmation of the release.

For all other scheduled appointments, the student may bring an official note to the Attendance Office. Only the Attendance Office will call students from their respective classes at the time of release. **To receive an excused absence, students must comply with the guidelines listed above and students must sign out from the Attendance office before leaving campus and sign in when returning.**

All early dismissal notes should contain the following information:

1. The date
2. The student's full name
3. Time of dismissal
4. Reason for dismissal
5. Parent signature and contact number

Dismissal due to Inclement weather

Early school dismissals will be announced on the television and radio. If there is no announcement, there will be no early dismissal. If there is an announcement to close school on the following day, the decision will remain in effect regardless of weather conditions. A county-wide Connect Ed. Message will go out to students enrolled in the district to announce school closings or delayed schedules.

- **If the student refuses to give the device to an administrator, the student will receive two (2) to five (5) days of OSS.**

*The School will not be responsible for any lost or stolen property. School officials will not take time away from other responsibilities to investigate these incidents, and **STRONGLY** encourage students to leave such equipment at home.*

EXAMS AND TESTING

Testing information and dates regarding the PSAT, SAT, ACT and other imperative tests will be announced through the Counseling Center and posted throughout the school.

The NC Department of Public Instruction requires that students take state End-of-Course (EOC) & NC Final Exams in selected courses. All students enrolled in English II, Math 1, Math III, and Biology will take an EOC. Students

Students should always travel with the group and not expect to make their own transportation arrangements.

Written parental permission is required prior to the trip, except for those involving athletic teams.

In case of field trips during the school day, the teacher sponsoring the field trip should notify teachers of the student(s) in attendance. It is the responsibility of the student to arrange for make-up of all work missed and to successfully complete this make-up work.

GIFTS FOR STUDENTS

Because of the time required, possible mix-ups, distractions and other problems that may occur, **please do not bring gifts or have gifts delivered to the school.** The office or school staff cannot be responsible for the delivery of student gifts. NATIONAL HONOR SOCIETY

The National Honor Society is an organization at Southern Guilford High School which exemplifies the very best. Tenth and Eleventh grade students may be invited to join as both an honor and an opportunity for further service to their school and community. Invitations are extended to those students who have demonstrated a high level of achievement in the four pillars of the National Honor Society which are scholarship, service, leadership, and character.

At Southern, a minimum unweighted Grade Point Average of 3.7 is a threshold requirement for a student to be considered for membership. Additionally, the quality of a student's academic work, specifically the academic rigor of courses taken, will be reviewed. However, academic achievement alone is not enough for membership. Students must also demonstrate service to their school and community and offer examples of leadership. The quality and significance of service will be an important consideration. Heavy participation in a few significant service activities is more important than minimal involvement in a lot of different activities.

Prospective candidates will be required to demonstrate high character with recommendations from teachers and others in the community. Inductions will be held in April or May of the current academic year.

PARKING, DRIVING EDUCATION, AND LICENSE LAW

Because the class is on school campus, all school rules, regulations and expectations apply. Students will need to provide their own transportation home immediately after the class ends. To get a driver's permit, a student must be 15 years old, have completed driver's education, be passing 3 of 4 classes at semester and be promoted. Students who drop out of school will have their permit/license revoked. For more information, or to register for Driver's Education, please visit www.ncdrivingschool.com.

The operation and parking of a student's automobile is under the supervision of the Principal or the designated assistant principal. The following rules and regulations must be observed:

1. All automobiles must be parked upon arrival and occupants must leave the vehicles.
2. All automobiles should be left locked to discourage theft.
3. No student parking will be permitted on campus in any area other than the designated student parking lot.
4. Student cars that are parked in other spaces are subject to being towed away at owner's expense.
5. Students who intend to drive a car to school either regularly or occasionally must have a student parking permit clearly displayed on the right rear window of his/her car.
6. Parking permits can be purchased in the front office.

Motor Bikes:

The same rules and regulations apply to any motor propelled vehicles.

Automobile Searches

Students are permitted to park on school premises as a matter of privilege, not of right. As a condition for obtaining a permit and parking a vehicle on the school premises, a student and the student's legal custodian must agree, in writing, to allow school officials to search any vehicle which the student parks on school property. The school retains the authority to conduct routine patrols of the student parking lots and inspections of the exteriors of student automobiles on school property. The interiors of students' vehicles may be inspected whenever a school authority has reasonable suspicion to believe that illegal or unauthorized materials or other evidence of illegal activities are contained inside. Such patrols and inspections may be conducted without notice and without student consent. Law enforcement may also be called to search student vehicles under the principal's discretion.
