

ACES and Inclement Weather 2019-20

Early Dismissal

If school is closed early, ACES does not operate. ACES parents must pick up their children by the announced school closing time.

School Is Dismissed at Regular Time, But After-School Activities Are Canceled

When the school day ends at the regular time but after-school activities such as athletics and tutoring are canceled, ACES still operates. ACES parents are strongly encouraged to pick up children as early as possible so the family and ACES staff can arrive home before roads are unsafe.

School Closed/Canceled

ACES does not operate when school is closed for students. Even if the day is designated as an Optional Teacher Workday, ACES does not operate on days when school is canceled due to inclement weather.

ACES All-Days

In 2019-20, ACES All-Days (7:30am-6:00pm) are offered on selected teacher workdays:

- *August 22, 2019 – Extended Year ACES programs only*
- October 9, 2019 – All ACES programs
- *October 21, 2019 – Extended Year ACES programs only*
- October 28, 2019 – All ACES programs
- January 21, 2020 – All ACES programs
- February 17, 2020 – All ACES programs
- March 17, 2020 – All ACES programs

If inclement weather necessitates a closure or delayed opening for ACES on one of these days, GCS will communicate the status of ACES All-Days through standard outlets (see “Closing Information” below).

Closing Information

School closing information can be obtained on the GCS Website at www.gcsnc.com, GCSTV 2 and on local TV and radio stations.

Weather conditions and other considerations may result in GCS making decisions regarding ACES operations other than those listed above.
