

Weaver Academy for Performing & Visual Arts is a choice high school located in downtown Greensboro. This full-time high school offers students the opportunity of correlating the arts with academics taught at the honors and advanced placement levels.

Prospective students may apply and audition in one of 8 performing and visual arts (PVA) areas. These areas of concentration include visual art, recording engineering, piano, vocal music, classical guitar, dance, orchestral strings, and theatre.

Students who are dedicated to their craft and interested in a focused study in one area of the arts are encouraged to apply and audition.
