The team talked about creating our hashtag and using social media to help connect our stakeholders and align our vision. Ms. Conaway discussed that she wanted us to have a "slogan" that we could all use when encouraging each other. We will take the discussion to student council after teachers have talked about it with their teams. The team decided that teachers will talk with their students and each class can come up with a hashtag or slogan to send to Mrs. Faucette for team consideration.

Mrs. Conaway reviewed planning dates for teachers. 4/5 will be on January 31st. Friday, Feb. 2nd is K/1 planning day. Feb. 5th is 2/3 planning day. She also reviewed Opportunity Culture and the status of the initiative at the district and school level. We have had 1 design team session with others in the district and will have 3 more design team sessions.

Ms. Nelson gave an update for One School One Book and it will be "We're all Wonders". We are planning to have service learning project that week as well as a movie and a meal, since the movie comes out that weekend. This will be the week of Valentine's Day. We have also planned to do a couple of parent nights in March and in May. We will include kindergarten registration in our May parent event. Mrs. Conaway also shared that the Weaver Foundation has donated money for us to have a breakfast with newly enrolled students (last Wednesday of the month).

Mrs. Conaway also asked teachers to let her know about instructional supplies so that those things can be ordered.
